Monday 22 January 2018

Regional Leadership Roll Call

The key industry body supporting marketing and advocating on behalf of the tourism industry, Murray Regional Tourism (MRT), is seeking suitable candidates from across the region to apply for one Associate Director position with the Murray Regional Tourism Board.

MRT works in partnership with Visit Victoria, Destination New South Wales, 13 local government areas and regional tourism associations to drive the development of the tourism industry within the Murray region.

As part of building industry capacity and developing future leaders, MRT is now calling for interested parties to apply for the position of Associate Director. This is a two-year term and provides an opportunity for the successful candidate to potentially take on a longer-term role of a Board Director.

MRT Chair Wendy Greiner encourages interested candidates from across the region to consider applying for this important role.

"As Chair, I will work with the successful applicant in an informal mentoring role. Acting as an advisor and sounding board to enable them to gain insights and experience as a Director by attending our board meetings and strategic planning sessions. These meetings will provide valuable insights into how a Board works and the person will gain some experience and knowledge from discussions that take place at these meetings. This is an enabling role that will help the candidate to achieve their longer-term goal to participate on a Board as a Director," said Ms Greiner.

Current or aspiring future leaders are being asked to come forward. This is an exciting opportunity for the successful candidate to fully immerse themselves in a supportive leadership environment, whilst assisting to shape the future direction of the visitor economy in the Murray region.

"MRT is keen to assist and invest in the next generation of leaders and any assistance the community can provide to identify and raise the opportunity with suitable industry representatives would be greatly appreciated," said Ms Greiner.

Applicants simply need to provide a brief CV and highlight the reasons for being interested in this Board mentoring role. Applications close on 5 February 2018.
